

# MAHIN HASAN

FULL-STACK WEB DEVELOPER & SHOPIFY EXPERT

## About Me

Full-Stack Web Developer with 2+ years of experience building Shopify themes and web applications using MERN and Next.js. Experienced in developing responsive frontends, scalable backend APIs, and custom eCommerce solutions. Passionate about solving real-world problems and continuously learning modern technologies to build high-quality software.

## Experience

Full-Stack Web Developer 2024 - Present

Shopishark

- Developed custom Shopify themes with Liquid and JavaScript.
- Built reusable Shopify OS 2.0 sections and snippets.
- Created responsive interfaces with HTML, CSS, and Tailwind CSS.
- Developed eCommerce features for product and cart pages.
- Built web applications using Next.js, React, and Node.js.
- Optimized performance through debugging and code refactoring.
- Used Git and GitHub for version control and collaboration.
